725 Bridge, PO Box 228 · Humboldt, KS 66748-0228 · Ph: (620)473-3232 · Fax: (620)473-2133 · www.humboldtks.org

PRESS RELEASE

The City of Humboldt is pleased to announce the launch of TextMyGov text alerts, which is a new text messaging service designed to keep residents informed with relevant information and updates affecting our community.

This new texting service allows the City to send out notifications to residents about **Utility Services, Storm Cleanup, Trash Schedules, General Announcements**, and other relevant information.

The City will officially launch the new text alert system June 10th. We encourage all residents to opt-in for these important notifications. Simply text **HUMBOLDT** to **91896** if you have not already. After sending the initial keyword, you will be asked to complete the opt-in process by responding **YES** by text to 91896. Once you have completed that process, we recommend that you save that number to your contacts and name it "Humboldt Alerts".

Now that you have opted-in, you now are able to contact us about potential issues and ask us a question by just texting us! Text "Hi" to 620-299-8778 for more information about the types of issues you can report and words you can text us! Save this number to your contacts using something that you will remember such as "Humboldt Concerns".

Users may opt-out anytime from future text notifications by simply texting STOP to 91896.

The City of Humboldt looks forward to connecting and communicating effectively with our residents through this new technology. If you need assistance in opting in, please contact us at 620-473-3232.

"Coming together as a community strengthens us all." ~ unknown

Msg & data rates apply. Check with carrier for details.
